Office of Legislative Counsel

Monday - 29 February 1960

1. Edward McCabe, on the White House Staff, called to discuss developments in the hearings of Senator Jackson's Subcommittee on National Policy Planning. Mr. McCabe wished to alert us to the fact that it is quite likely Senator Karl E. Mundt (R., S. Dak.) will renew his efforts to have his bill creating a freedom academy reported and passed by the Senate. Mr. McCabe feels that Senator Mundt will take the position that his proposal while not necessarily perfect, would be a basis for solving some of the problems the Committee has discovered in the course of its hearings. Mr. McCabe feels that the Director should be alerted to the possibility of his being questioned on this proposal if he appears again as a witness before the Subcommittee.

2. Mr. Pyle, in the office of Congressman Perkins Bass (R., N.H.), was advised that the Director had accepted the SOS Club invitation to breakfast with that group at 8:00 A. M. on Wednesday, 30 March at the Capitol Hill Club. Mr. Pyle said there was no requirement for the Director to prepare any material for this; it will be a spontaneous session as in past years.
